

# WFU London: University Studies & Internships

## ACADEMIC PROGRAM: Fall 2021/Spring 2022

- Students are fully enrolled at Queen Mary University of London (QM). Students may only enroll in a course (module) if it is listed below. Students who enroll in courses that are not approved by Wake Forest University will not earn any credit for those courses. All students must maintain full-time enrollment while abroad, which is **12 semester hours**. Students are encouraged to enroll in WFU's INS 151 Cross-Cultural Engagement Abroad (1hr p/f) which would increase student hour enrollment to 13 semester hours.
- Courses are not guaranteed to be offered for its associated term. Final course selection depends on available courses and meetings times. Your final course schedule will be set during the Queen Mary registration period.
- **It is the student's responsibility to speak to their major and minor advisor(s) regarding their abroad course work and how (or if) it will count towards their degree plan.**
