Credit Hours

All students must maintain full-time enrollment while abroad. Full-time enrollment on the WFU/Barcelona program is 12 credit semester hours. You are able to enroll in more than 12 credit hours if you chose. We recommend enrolling in no more than 15 credit hours for your semester abroad. Please indicate how many credit hours you will take while abroad:

☐ 12 credit hours    ☐ 15 credit hours    ☐ Other: ___________________________

*Important* If you choose to enroll in 15 credit hours or more during registration and then decide to drop a course and reduce your credit hours, you will be assessed a change fee of €100 by Universitat Autònoma de Barcelona (UAB). You will pay this fee during the add/drop period on site.

Language Course

All students on the program must enroll in one course taught in either Catalan or Spanish. Please indicate which language you would like to study during your semester abroad:

☐ Introduction to Catalan Language    ☐ Spanish

If you selected Spanish, please indicate which course you are interested in taking based on the options listed in the Barcelona course matrix document: __________________________________________

*Note* In order to enroll in a Spanish course you will have to take a placement test before your arrival in Spain. The Spanish courses that are open to you will be based off of your placement test results. You cannot appeal these results. If you place into a lower level than you need, then your enrollment will be change to the Catalan course.

Registration

Our on-site team in Barcelona will complete your registration for you with UAB during their registration period. They will base your registration off the courses that you list on this form. **You must list at least 4 alternative courses.**

Enrollment in a particular course is not guaranteed and is based on available space and course timing. Placement can only be guaranteed in the core business courses offered just for Wake Forest students and in Introduction to Catalan.
Your registration at Wake Forest must match your registration at UAB. We will base your Wake Forest registration off the initial courses that you are registered for at UAB. If you change your enrollment at UAB during the add/drop period you are responsible for notifying Jessica Francis (francija@wfu.edu) of your new course(s). This notification must be done before the end of add/drop at UAB.

You are only able to enroll in courses at UAB that have been previously approved by Wake Forest. Please refer to the WFU/Barcelona webpage for the most up-to-date list or contact your study abroad advisor and request a copy.

**Preferred Courses:**

Please list at least 3 courses (4 courses if you plan to take 15 credit hours) that you hope to take while on the WFU/Barcelona Program.
